## Girijananda Chowdhury Institute of Pharmaceutical Science-Tezpur

An Institute Established Under PPP model by Shrimanta Shankar Academy and Govt. of Assam

[www.gips-tezpur.ac.in](http://www.gips-tezpur.ac.in)

# ADMISSION PROSPECTUS 2022

**GIPS-Guwahati is supported by DST-FIST  
Ministry of Science & Technology, Govt. of India**

B. Pharm program (GIPS-Guwahati) is accredited by  
**NATIONAL BOARD OF ACCREDITATION (NBA)**  
for academic year 2016-17 to 2021-22

GIPS-Guwahati secured position in **76-100 rank band among  
Pharmacy Institutes in India** as per **NATIONAL INSTITUTIONAL  
RANKING FRAMEWORK** (NIRF-2021) MHRD, Govt. of India

## ABOUT NATIONAL BOARD OF ACCREDITATION (NBA)

The National Board of Accreditation (NBA), India was initially established by AICTE (All India Council of Technical Education) under section 10(u) of AICTE act, in the year 1994, for periodic evaluations of technical institutions & programs. India is officially a member of the Washington Accord from 13th June 2014 with the permanent signatory status of the National Board of Accreditation (NBA). This is considered as a significant step of progress for the higher-education sector in India.

### Five things to know about NBA:

- It is a kind of recognition which indicates that a programme or degree has international standards.
- The Washington Accord encourages and facilitates the mobility of engineering and pharmacy graduates and professionals at international level.
- A student in India graduating from a programme accredited by NBA is eligible to practice as a pharmacy professional/engineer in his/her relevant domain in any of the countries that have signed the Washington Accord (Presently 16 countries: USA, Canada, UK, China, Malaysia, Japan, Korea, Srilanka, NewZealand, Russia, South Africa, Ireland, Turkey, Hongkong, Singapore etc.)
- The only body eligible for accreditation of the Pharmacy/Engineering courses which can enjoy the privileges of the Washington Accord is "National Board of Accreditation" (NBA) in India.
- The Washington Accord is a step forward to upgrade the higher-education system in India and allow Indian graduates to compete at a global stage.

## ABOUT NATIONAL INSTITUTIONAL RANKING FRAMEWORK (NIRF)

The National Institutional Ranking Framework (NIRF) was approved by the MHRD and launched by Honourable Minister of Human Resource Development on 29th September 2015. This framework outlines a methodology to rank institutions across the country on the basis of some quality parameters broadly cover "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," Outreach and Inclusivity," and "Perception". India Rankings – 2016 based on this framework were released on 4th April 2016. For India Rankings – 2018 and 2019, the main ranking parameters remain the same.

### Five things to know about the NIRF:

1. Ranking is an Annual Report Card to the Nation and to the stakeholders on what has been done by the institution in the last one year, on the given performance
2. Accreditation gives absolute grade, ranking is relative to the other institutions similarly placed.
3. We must understand the NIRF score as a reflection of where the institution is standing vis-a-vis other institutions in the similar category.
4. This ranking band of institutions are shown against each institution is reflective of their performance.
5. Presently, this year over 5,000 institutions participated in the India Rankings 2021.

## VISION

Girijananda Chowdhury Institute of Pharmaceutical Science (GIPS) will be globally prominent in pharmacy education and collaborative research. Our graduates are competitive with those from any pharmacy program in the country, equalling or exceeding other graduates in scientific knowledge; clinical expertise and their ability to think broadly, address complex problems and adapt to diverse environments.

## MISSION

The mission of Girijananda Chowdhury Institute of Pharmaceutical Science, is fostering graduates and professionals who will maximize the health of the public by advancing patient care and facilitating the discovery, understanding and cost effective use of medicines. The institute will provide a strong foundation in the knowledge, integration and application of the biomedical, pharmaceutical, social and behavioural science resulting in leaders in advancing the pharmacy profession.

## VALUE STATEMENTS

- The quality and completeness of our students' education is our top priority.
- We have the responsibility to assure that our graduates will safeguard the health of the public.
- We pursue excellence in education and scholarship.
- There is community within the faculty and staff that is premised on collegiality, mutual trust, respect, honesty and integrity.
- The institute is responsible to its students, staff and faculty to help them grow personally and professionally.

## MESSAGE FROM THE DESK OF PRESIDENT, SSA

### Mr. Ratul Das

President

Shrimanta Shankar Academy Society

*Being the president of Shrimanta Shankar Academy Society, it is indeed a great pleasure for me to introduce our second pharmacy institute in the name of Girijananda Chowdhury Institute of Pharmaceutical Science-Tezpur, which was established from the academic session 2020-2021 at Dekargaon, Tezpur. It is the first Pharmacy institute in the state of Assam under Public Private Partnership (PPP) model by Shrimanta Shankar Academy Society and Directorate of Technical Education, Government of Assam to impart quality pharmacy education, training and research in the North-East India and specially in the North Bank of Brahmaputra, Assam to cater the needs of pharmacy profession and society at large. With this aim in view, the institute developed strong infrastructure facilities and learning environment in the campus for the talent and potential students who will join it. As a pioneer of private Pharmacy education provider in the state of Assam and great success of Girijananda Chowdhury Institute of Pharmaceutical Science, Guwahati which has secured position in 76-100 rank band among all the Pharmacy Institutes in India in National Institute Ranking Framework, MHRD, Government of India and also B. Pharm. Programme is accredited by National Board of Accreditation (NBA) for academic year 2016-17 to 2021-22. I am confident enough that our new institute i.e. Girijananda Chowdhury Institute of Pharmaceutical Science-Tezpur, will also soon emerge as a CENTRE FOR EXCELLANCE in the field of Pharmacy Education in the state of Assam and in India with its resources and dynamic Principal & faculty members.*

A handwritten signature in black ink, appearing to read 'Ratul Das'.

Good luck to all!  
Mr. Ratul Das

## MESSAGE FROM THE DESK OF SECRETARY, SSA

### **Mr. Bijoyananda Chowdhury**

Secretary

Shrimanta Shankar Academy Society

*We at GIPS wish to be the medium for change by imparting its most important component i.e. "Knowledge". GIPS has always stood for quality education and has excelled in providing all that's needed to mould the young mind to succeed. With excellent infrastructural facilities and a team of dedicated and experienced faculty, GIPS provides every bit of opportunity for students to excel in their quest for knowledge. We welcome all the aspirants to be a part of this esteemed institute and hope that you will be able to get an opportunity to imbibe the ethos that GIPS stands for.*

A handwritten signature in black ink, appearing to read 'Bijoyananda Chowdhury'.

Mr. Bijoyananda Chowdhury

## MESSAGE

### FROM THE DESK OF PRINCIPAL, GIPS-GUWAHATI

#### **Prof. (Dr.) Gouranga Das**

Principal

Girijananda Chowdhury Institute of Pharmaceutical Science (GIPS), Guwahati

*Education system is the backbone of the country which makes the nation healthy, wealthy and wise. Girijananda Chowdhury Institute of Pharmaceutical Science is an ideal educational institute. This institute provides well experienced, dynamic and energetic faculties, modern lecture rooms, laboratories with sophisticated equipment, well maintained CPC-SEA approved animal house having different kinds of animals for research purpose and well established medicinal garden. B. Pharm programme offered by the institute is recredited by National Board of Accreditation. Students are strictly monitored to maintain the discipline regarding class attendance, library and e-library consultation, scheduled industrial training etc. Students regularly appear in national level competitive examinations and perform excellent results. Apart from these, on regular basis, we conduct seminars & symposium, awareness & social programmes, sport & cultural programmes and some training programmes. In this environment students complete their course and become the excellent Pharmacy professionals. This institute provides hundred percent placement assistance to the students for their placement in different Pharmaceutical industries and other organizations and thus engaged in serving the nation successfully.*

Prof. (Dr.) Gouranga Das  
M. Pharm, Ph.D.

# MESSAGE

## FROM THE DESK OF PRINCIPAL, GIPS-TEZPUR

### Dr. Abdul Baquee Ahmed

Principal

Girijananda Chowdhury Institute of Pharmaceutical Science-Tezpur

*"Education is not the learning of facts, but the training of the mind to think."-Albert Einstein*

*It is a matter of pride to pen down my message to be recorded in the prospectus of Girijananda Chowdhury Institute of Pharmaceutical Science- Tezpur. The institute is located in one of the most beautiful terrains of Assam. It is cradled in the lap of nature laced with green environment for students to learn, grow and spread their wings.*

*Pharmaceutical education plays a very important role in producing pharmacists who are professional drug specialists. Pharmaceutical field is evolving day by day and contributing more to the wellbeing of the society. Government and Private sectors are working consistently towards improvement of health care among people. Pharmaceutical products or drugs are one of the important components of health care management and 'Pharmacist' is pivotal component as his role is expanding from a dispenser to a researcher and a patient counsellor. It is one of the few professions which has shown significant growth rate even in the time of recession.*

*It gives me great satisfaction that the Shrimanta Shankar Academy Society is imparting quality pharmacy education in Assam since 2007 through Girijananda Chowdhury Institute of Pharmaceutical Science, Guwahati, as a first private Pharmacy institute in the state and now became a prestigious institute not only in Assam but also in India as well. In continuations of the development and students demand in pharmacy education, the Shrimanta Shankar Academy Society has established its second pharmacy institute at Dekargaon, Tezpur namely Girijananda Chowdhury Institute of Pharmaceutical Science-Tezpur under Public Private Partnership (PPP) model with Directorate of Technical Education; Govt. of Assam from the academic session 2020-2021. I took up the responsibility as the Principal of this prestigious Educational Institution in the beginning of this scholastic year to ensure quality education in the institute.*

*So, my dear students be a part of this institution and utilize your college days to create a solid foundation of knowledge to be a technically competent professional and healthcare provider.*

*Here's wishing you a very happy and healthy career in Pharmacy.*

Dr. Abdul Baquee Ahmed  
M.Pharm., Ph.D.

# ABOUT THE SOCIETY

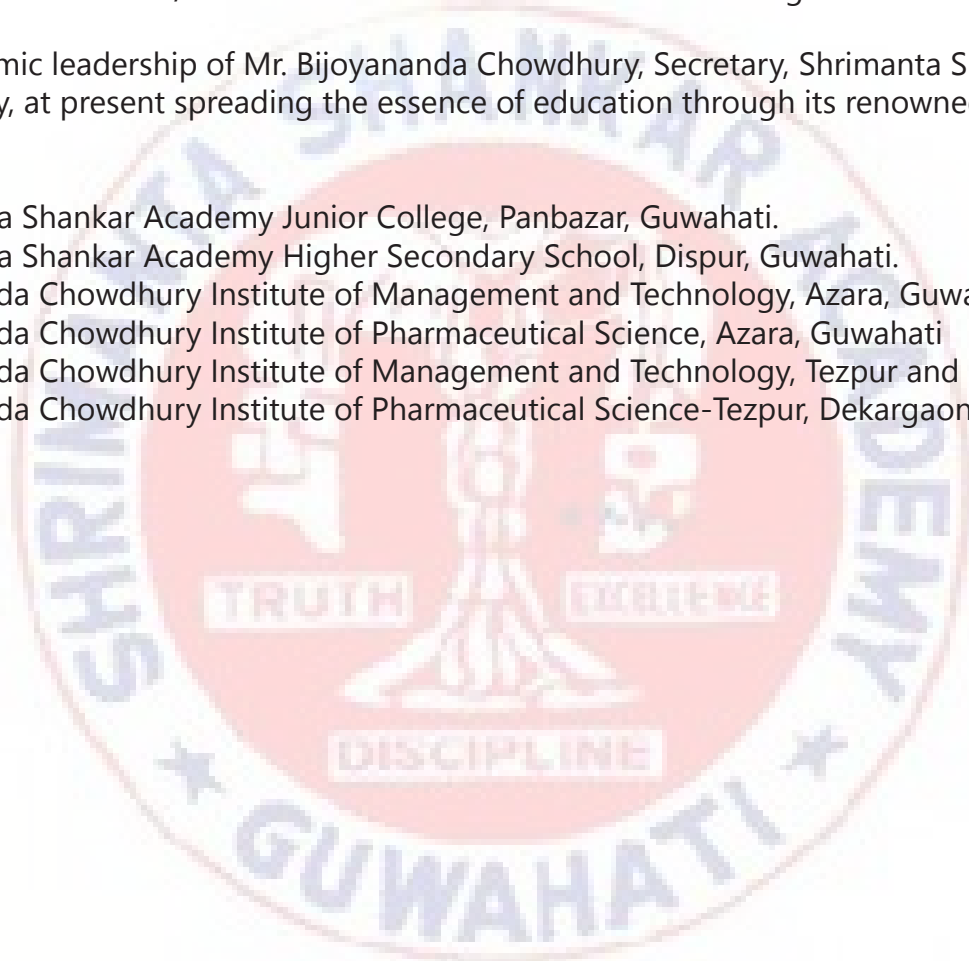

## Shrimanta Shankar Academy (SSA) Society Guwahati, Assam.

The Shrimanta Shankar Academy (SSA) Society has been formed in the year 1992 with its registered office at Dr. J. C. Das Road, Panbazar, Guwahati (Assam) with the main objective to promote and propagate the philosophical ideals of the Great Saint Shrimanta Shankar Dev as its guiding spirit for Truth, Discipline, Ethics and Excellence and also to maintain the spiritual environment on the basis of the motto enunciated by Shrimanta Shankar Dev in the campus/colleges/ schools under it. The Shrimanta Shankar Academy (SSA) Society has been registered vide Memo No.-RS/889 of 1992-93 under the Societies Registration Act, XXI of 1860.

Under the dynamic leadership of Mr. Bijoyananda Chowdhury, Secretary, Shrimanta Shankar Academy (SSA) Society, at present spreading the essence of education through its renowned organizations like-

- Shrimanta Shankar Academy Junior College, Panbazar, Guwahati.
- Shrimanta Shankar Academy Higher Secondary School, Dispur, Guwahati.
- Girijananda Chowdhury Institute of Management and Technology, Azara, Guwahati.
- Girijananda Chowdhury Institute of Pharmaceutical Science, Azara, Guwahati
- Girijananda Chowdhury Institute of Management and Technology, Tezpur and
- Girijananda Chowdhury Institute of Pharmaceutical Science-Tezpur, Dekargaon, Tezpur, Assam

## CAREER OPPURTUNITIES FOR PHARMACY GRADUATES

Pharmacy, the health care profession concerned with knowledge about drugs and their effects. It offers diverse opportunities in India and around the world. Pharmacists may practice in a pharmaceutical industry; community or hospital pharmacy; biotechnology industry; a nursing home or extended care facility and other private or public companies; government agencies; a college; or many other venues. Not only the pharmacy graduates are paid best and most respected professionals, but also health care trends make pharmacy nearly a recession proof career choice. The fact is, any graduate of our professional program who is looking for a white color job will find one.

Here are some of brief sketches of opportunities pursued by the Pharmacy graduates.

### GOVERNMENT SECTOR

Pharmacy graduates works in the Food and Drug Administration, Drug Enforcement Administration, PublicHealth Service, Armed Forces, National Institutes of Health and also many other government agencies. They also find ample practice opportunities in managed care organizations, home health care agencies, general and specialized clinics, or as drug information specialist in hospitals or other health care organizations. Many pharmacy graduates engaged in teaching profession and administrative service at leading colleges and Universities.

### INDUSTRIAL PHARMACY

Pharmacists employed by pharmaceutical or biotechnology firms, work in, Research and Development (R&D); testing of medications in humans and animals (Clinical Trials); production systems; quality control; government regulations; marketing; public relations; sales and management. Pharmacy professionals also have opportunities in production of herbal, ayurvedic preparations and veterinary products as well as bulkdrugs and cosmetics.

### HOSPITAL PHARMACY

Hospital pharmacists advice other health professionals about the actions, interactions and side effects of drugs, and counsel patients about medications, they may help to select the medications the hospital will use, dispense prescription drugs and handle special products like radioactive medicines, artificial kidney, fluids and plastic inserts. Many hospital based pharmacists also are administrators and influential members of important committees.

### COMMUNITY PHARMACY

Community pharmacists are responsible for safe and efficient dispensing of prescription medications, over the counter medication and keeping records of patients. Community pharmacists also provide information and advice about medications to physicians and other health professionals.

### PHARMACEUTICAL MARKETING

With the detail knowledge in medicines and surgicals, pharmacy graduates can find their attractive future in pharmaceutical marketing as area manager, regional sales manager, zonal manager and even higher positions.

### CLINICAL RESEARCH

Recently, Clinical research has also open its door for Pharmacy graduates as medical underwriter, data validation associate, clinical research associate (CRA) etc.

## PHARMACOVIGILANCE

Pharmacovigilance is the science relating to the detection, assessment, understanding and prevention of adverse effects, particularly long term and short term side effects of medicines. In general it is the science of collecting, monitoring, researching, assessing and evaluating information from healthcare providers and patients on the adverse effects of medications, biological, and traditional medicines with a view to identify new information about hazards associated with medicines and preventing harm to the patients.

## REGULATORY AFFAIRS

Pharmaceutical companies, especially exporters require pharmacy professionals to make regulatory dossiers. Though in this sector Companies prefer to employ M. Pharm. Opportunities are limited but respectable after good experience and knowledge. This field requires knowledge of GMP and other regulatory guidelines.

## OPPORTUNITIES IN ABROAD

In the field of pharmacy, India is one of the countries producing many pharmacy graduates. Many countries have demand for qualified pharmacy professionals including U.S.A., Canada, European countries like U.K., France, Germany, African countries like S. Africa, Nigeria, Yemen, Gulf countries like Saudi Arabia, Kuwait, South East Asian countries like Singapore, Korea, Japan etc. and the Australian continent including New Zealand. A registered pharmacist commands very high salary and reputation in developed countries.

## ABOUT THE INSTITUTE, GIPS, GUWAHATI

Girijananda Chowdhury Institute of Pharmaceutical Science (GIPS), Guwahati was established in the year 2007 as the first non-government pharmacy institute in the state of Assam under the aegis of the Shrimanta Shankar Academy (SSA), a registered society set up in the year 1992 to make significant contribution for social upliftment through education and to inculcate a sense of discipline among the youths.

The Institution is affiliated to Assam Science and Technology University (ASTU), Guwahati, Assam, approved by All India Council for Technical Education (AICTE), New Delhi and recognized by Pharmacy Council of India (PCI), New Delhi. The Institute offers two years Diploma program, Diploma in Pharmacy (D. Pharm), four years degree program, Bachelor of Pharmacy (B. Pharm), two years B. Pharm(Practice) for inservice Pharmacist, two years post graduate programme Master in Pharmacy (M. Pharm-Pharmaceutics, Pharmacology and Pharmaceutical Chemistry) and Ph.D. program. The B. Pharm programme is reaccredited by National Board of Accreditation (NBA) for academic year 2019-20 to 2021-22. GIPS secured position in 76-100 rank band among all the Pharmacy Institutes in India as per NIRF-2021, MHRD Govt. of India. The vision and mission of the institute clearly reflects the commitment of the institute towards promoting quality pharmacy education to cater to the needs of region, nation and the global community at large.

The institute's primary objective is to provide the best pharmaceutical education in the North- Eastern region of India. In keeping with its objective for providing the best possible pharmaceutical education, the college has built up a strong infrastructure in terms of education, research and development. The institute comprises of highly motivated and experienced faculty and facilities that enable students to gain a contemporary education and training.

The institute maintains continuous interaction with industry to ensure that the learning program remains relevant to the changing trends in pharmaceuticals. The institute is constantly seeking to upgrade the quality of its education and actively engaged in research to remain on the cutting edge. Through continuous upgradation, GIPS endeavors to become 'Centre for Excellence', where innovative knowledge pertaining to the pharmaceutical field is generated on a regular basis. The institute follows the credit based semester system for imparting education as prevalent in other pharmacy institutes across the country. The academic programs are governed by rules and regulation of AICTE, PCI and affiliating University. Institute has state-of-art laboratories, sophisticated instruments, well stocked library, Cell culture laboratory, CPCSEA approved Animal house etc. required for effective teaching-learning practices. The alumni of the institute are placed in various pharmaceutical industries and other organization of national and international repute significantly contributing to the healthcare system. Finally, GIPS assures the progress and prosperity of every aspiring student of Pharmaceutical Science and Technology.

## INFRASTRUCTURE FACILITIES

### LABORATORY

Laboratories are the most important tools for every technical institution where students develop their practical skill. GIPS is having excellent laboratories with latest equipments to cater the needs of the students. Most of the laboratories have received funding from All India Council for Technical education (AICTE), and other government funding agencies. The institute is also maintaining an approved 'Animal House' and 'Medicinal plant garden' for the practical and research work. GIPS is equipped with sophisticated central instrumentation facilities to carry out Pharmaceutical and Biomedical research.

### BINA CHOWDHURY CENTRAL LIBRARY

The college has an excellent library and information centre (one of the central support services of the institution), which acts as a primary source for information seekers, be it students, faculty or researchers. The library has been carefully designed to maximize natural lightning to the users and provide a comfortable seating and reading environment. The library is well equipped with modern facilities and resources in the form of CD, DVD, online data base, books, journals, thesis etc. GIPS has institutional membership with national digital library-NDL.

## COMPUTER LAB AND INTERNET CENTRE

A well equipped computer centre covered over 75 sq. mt. area equipped with 35 computers with WI-FI LAN and internet connection. A vital component of present era of pharmaceutical education is computer and software knowledge. Computer lab is equipped with required hardware and software sets. There is free access to e-library with operating system like Microsoft office 2003/2007, Visual studio, Turbo C, FORTRAN and other licensed software. The computers are equipped with ORELL Digital Language Software. The hardware and software are calibrated from time to time to keep them in proper shape. All of these facilities are properly supervised and well maintained by staff members

## RESEARCH FACILITY

The institute, as a matter of policy, encourages research by students and faculty members and provides incentives for research output in the form of publications and patents. GIPS encourages teaching faculty to compete for research funding and reward success in the form of academic allowances and research incentives. Adequate budgetary provisions are made for the maintenance of laboratories, animal house facilities, consumables, equipments etc. GIPS has dedicated research team and under taken several projects funded by AICTE, ICMR, DRDO, DST and other government funding agencies. The institute also has a CPCSEA approved animal house facility and a cell room facility equipped with modern instruments..

## EXTRA CURRICULAR ACTIVITIES

Unnat Bharat Abhiyan

Sanitizer Distribution

Blood donation camp

Free health camp

## HOSTEL FACILITY

The students' hostel is well furnished with adequate floor space, dining facilities and is indeed an ideal place to stay and study. Separate hostels for boys and girls are available with all the requisite facilities. The hostels have been designed to recreate a home like atmosphere for the students. A resident warden is available round the clock to ensure that the students' requirements are made as well as to maintain the decorum. Medical attention is also instantly made available.

## TRANSPORTATION FACILITY

The institute provides bus service along prescribed routes between the City and Institute. Candidates can avail the facility by paying nominal fees to the institution.

## CANTEEN

A well equipped canteen is housed in a spacious building providing breakfast, lunch, tea and snacks at moderate cost.

## INDOOR SPORTS COMPLEX

The institute has indoor sports complex that houses different sports facilities like badminton, table tennis, carrom board, squash court etc. The facility is open for the students and staffs of the institute till 10.00 at night.

## GYMNASIUM

The institute has an incampus and well equiped modern gymnasium. A qualified and well experienced trainer is available to train the students for their physical fitness.

## SOPHISTICATED ANALYTICAL INSTRUMENT FACILITY

The Sophisticated Analytical Facility (SAIF), formerly known as AIF, GIPS, established in the year 2011. It was established with the aim to help the students and researchers to conduct their research work by using the analytical techniques at low cost. The SAIF, GIPS committed to the development of future technical work force and encourages Research and Development activities. Currently the SAIF, GIPS provides a comprehensive array of sophisticated instrumentation services. The Centre houses the following Sophisticated Instruments

### LIST OF THE INSTRUMENTS

Sl. No.	Name of the Instrument	Make and Model	Status
1	Elemental Analyzer	Thermo Fisher Scientific, FLS0228	Working
2	High performance Liquid Chromatography (HPLC)	Waters, 2489	Working
3	Fourier Transformed Infrared Spectroscopy (FT-IR)	Bruker, Alpha	Working
4	Texture Analyser	Stable Micro System	Working
5	Lyophilizer	IIC, INSTIND Lyophiliser	Working
6	Viscometer	Brookfield, LVDV-E	Working
7	Zeta Sizer	Malvern, Nano-590	Working
8	UV-Vis Double Beam Spectrophotometer	Shimadzu, 1800	Working
9	RT-PCR	Agilant technologies, Stratagene, MX3005P	Working
10	Ultra High Performance Liquid Chromatography (UHPLC)	Thermosciencific, Dionex ultimate 3000	Working
11	Gas Chromatography	Perkin Elmer, Clarus 580	Working
12	Digital Polarimeter	Labman, ADP-45	Working
13	Microwave Synthesizer	Biotage, Initiator plus	Working
14	Spectro fluorophotometer	Shimadzu, RF-6000	Working
15	Flash Chromatography	Combiflash RF 150 System Teledyne Instrument	Working
16	Digital Melting Point Apparatus	Cole-Parmer, Stuart SMP30	Working
17	Biochemistry Analyzer	Merck, Microlab-300	Working
18	ABBE Refractometer	Labman	Working
19	Differential Scanning Calorimeter (DSC)	Perkin Elmer, 4000	Working
20	UV-Vis Double Beam Spectrophotometer	Shimadzu, 1900	Working
21	IVC Facility for Rat and Mice	Orchid	Working
22	Stereotaxic Apparatus	Stoelting	Working
23	Moris Maze	V. J. Instruments	Working
24	Inverted Fluorescent Microscope	Leica	Working
25	GC-Head Space	Perkin Elmer	Under Purchase
26	HPTLC	Camag	Under Purchase
27	Rotary Microtome	Leica	Under Purchase
28	Gel-doc	BioRad	Under Purchase
29	Cascade Impactor	Coplay	Under Purchase
30	Atomic Absorption Spectroscopy (AAS)	Shimadzu	Under Purchase

## TEACHING FACULTY

Sl. No.	Name	Designation	Qualification
1	Prof. (Dr.) Gouranga Das	Principal	M. Pharm, Ph. D.
2	Dr. Dipankar Saha	Associate Professor	M. Pharm, Ph. D.
3	Dr. Smriti Rekha Chanda Das	Associate Professor & Head, Dept. of Pharm. Chemistry	M. Pharm, Ph. D.
4	Dr. Bhanu Pratap Sahu	Associate Professor & Head, Dept. of Pharmaceutics	M. Pharm, Ph.D., Postdoc.
5	Dr. Trishna Das	Associate Professor & Head, Dept. of Pharmacognosy	M. Pharm, Ph. D.
6	Dr. Damiki Laloo	Associate Professor	M. Pharm, Ph. D, P.G.D.S.
7	Dr. Jun Moni Kalita	Associate Professor	M. Pharm, Ph. D.
8	Mr. Purbajit Chetia	Assistant Professor & Head(i/c), Dept. of Pharmacology	M. Pharm, Ph. D. (Pursuing)
9	Dr. Tapash Chakraborty	Assistant Professor	M. Pharm, Ph. D.
10	Dr. Sheikh Sofiur Rahman	Assistant Professor	M. Pharm, Ph. D.
11	Ms. Ankita Kashyap	Assistant Professor	M. Pharm, Ph. D. (Pursuing)
12	Ms. Asha Das	Assistant Professor	M. Pharm, Ph. D. (Pursuing)
13	Ms. Zartaj Washmin Banu	Assistant Professor	M. Pharm, Ph. D. (Pursuing)
14	Mr. Suman Kumar	Assistant Professor	M. Pharm, Ph. D. (Pursuing)
15	Mr. Susankar Kushari	Assistant Professor	M. Pharm, Ph. D. (Pursuing)
16	Ms. Madhuchanda Lahan	Assistant Professor	M. Pharm, Ph. D. (Pursuing)
17	Mr. Iswar Hazarika	Assistant Professor	M. Pharm, Ph. D. (Pursuing)
18	Ms. Shatabdi Ghose	Assistant Professor	M. Pharm.
19	Ms. Priyanka Choudhury	Assistant Professor	M. Pharm.
20	Ms. Pallabi Kashyap	Assistant Professor	M. Pharm.
21	Dr. Rupa Sengupta	Assistant Professor	M. Pharm, Ph. D.
22	Mr. Chinmoy Bhuyan	Assistant Professor	M. Pharm, Ph. D. (Pursuing)
23	Ms. Lima Patowary	Assistant Professor	M. Pharm. Ph. D. (Pursuing)
24	Mr. Bhriku Kumar Das	Assistant Professor	M. Pharm, Ph. D. (Pursuing)
25	Mr. Mrinmoy Deka	Assistant Professor	M. Pharm.
26	Mr. Trideep Saikia	Assistant Professor	M. Pharm.
27	Mr. Ranadeep Borgohain	Assistant Professor	M. Pharm.
28	Mr. Rajana James	Assistant Professor	M. Pharm.
29	Ms. Arundhati Medhi	Assistant Professor	M. Pharm.
30	Dr. Anupam Sarma	Assistant Professor	M. Pharm, Ph. D.
31	Mr. Alakesh Bharali	Assistant Professor	M. Pharm
32	Mrs. Nisha Sharma	Assistant Professor	M. Tech
33	Dr. Nikhil Biswas	Assistant Professor	M. Pharm, Ph.D., Postdoc.
34	Mr. Ashis Kr. Goswami	Assistant Professor	M. Pharm, Ph. D. (Pursuing)
35	Mr. Bhargab Deka	Assistant Professor	M. Pharm
36	Dr. K. D. Lalthiamsama	Assistant Professor	Pharm. D.
37	Ms. Tutumoni Kalita	Assistant Professor	M. Pharm, Ph. D. (Pursuing)

## ACTIVITIES AT GIPS, GUWAHATI

### National Pharmacy Week 2021

National Pharmacy Week 2021 was celebrated at the college campus on 18th Nov, 2021 with the theme "Pharmacist: an integral part of healthcare". The event was started with the lighting of lamp by the chief guest Mr. Dilip Gupta, Head Operations, Akumes Drugs & Pharmaceuticals Ltd along with Mr. Ratul Das, President, SSA and Prof. (Dr) Gouranga Das, Principal, GIPS, Guwahati. The college wall magazine "DORPON" was also inaugurated by the chief guest in the presence of dignitaries, faculties and students of GIPS, Guwahati. The programme was followed by a cultural session actively participated by the students of GIPS, Guwahati. The event was ended with a vote of thanks note given by Dr. Smriti Rekha Chanda Das, Convener of Cultural Club, GIPS, Guwahati.

### National Science Day 2022

National Science Day was celebrated on 28th February 2022 by Cultural Club, GIPS, Guwahati. It started with the lighting of lamp by Chief guest Mr. Dipak Singh, Guest of honour Dr. Pranjal Saikia, Associate professor Dept of Chemical Science, IST, Gauhati University, President, SSA and Principal GIPS. Welcome speech was delivered by Mr. Ratul Das, President SSA. Prof. Gauranga Das, Principal GIPS highlighted the significance of National Science Day by describing Raman Effect. Chief guest Mr. Dipak Singh highlighted the use of science and technology together for sustainable future and Guest of honour Dr. Pranjal Saikia delivered a talk on Solar Hydrogen generation. The Institute Magazine "Pharmazone" has been released by the Chief guest Mr. Dipak Singh, Director, Ozone Pharmaceutical Private Limited. A state level scientific Poster competition named "Decipher" was conducted on the topic "Innovative idea on research" and total twenty group of students from different Institute participated in the competition. The full day programme was successfully completed, and a vote of thanks was delivered by Dr. Smriti Rekha Chanda Das, Coordinator, Cultural Club.

### Entrepreneurship Awareness Camp

The Entrepreneurship Development Cell of GIPS-Guwahati organized a seminar on "PHARMACIST AS ENTREPRENEURS" on 28th December, 2021 for the final year diploma, undergraduate and postgraduate students. Mr. Birendra Kumar Barman, senior pharmacy officer, CGHS, Guwahati and Mr. Himanshu Deka, Businessman and Fitness educator, PP Enterprise and Gymnaxia Gym were invited as the resource person. The event was ended successfully.

### World Pharmacists' Day 2021

Girijananda Chowdhury Institute of Pharmaceutical Science, Guwahati celebrated World Pharmacists' Day on 25th September, 2021 in the college premises. The celebration started with the hoisting of flag by Mr. Ratul Das, President, SSA Guwahati. The cultural programme started after the lighting of lamps and inaugural speeches by the Chief Guest, Dr. Biswa Ranjan Phukan, Academic Registrar, ASTU, Mr. Ratul Das and Prof. (Dr.) Gouranga Das, Principal, GIPS Guwahati. Various cultural performances were presented by the Faculties and students of the Institute. Many students also participated in the programme virtually.

## International Yoga Day Celebration

GirijanandaChowdhury Institute of Pharmaceutical Science (GIPS), Guwahati celebrated the 7th International Yoga Day today, June 21st, 2021 in the college premises. The theme of the International Yoga Day this year is "Yoga for Well-Being", the focus being on practicing Yoga for physical and mental well-being. This theme is much relevant for these dark times in a society still battling and recovering from the impact of the Covid-19 pandemic. To mark this day, the students of GIPS, Guwahati also shared a few glimpses of their practicing Yoga at home.

## International Womens' Day Celebration

International Women's Day was celebrated on 8th March 2022 in our Institute with the theme 'Gender equality today for sustainable tomorrow', organized by Cultural Club and Women cell, GIPS. The Programme was started with the lighting of the lamp by Prof (Dr.) Gouranga Das, Principal, GIPS along with lady faculties of the institute. A welcome speech was delivered by Principal, GIPS highlighting the advantages of gender equality. Senior faculty Dr. Smriti Rekha Chanda Das and Dr. Rupa Sengupta delivered a speech on the theme. An extempore speech competition has been conducted and girls along with boys participated in the competition. A cake-cutting ceremony was also conducted along with cultural events. All the girl students at the Institute were felicitated with a pen and sweet box as a token of love. The girl students also prepared a documentary on the theme. The programme was ended with a vote of thanks delivered by the Coordinator of Cultural club and Women cell Dr. Smriti Rekha Chanda Das.

## Faculty Development Programme

GirijanandaChowdhury Institute of Pharmaceutical Science (GIPS), Guwahati has organised a 2 week AICTE sponsored offline Faculty Development Programme on "Innovative Teaching Methods and Application of Statistical Software in Advanced Research in Science and technology" from 19th August to 1st September, 2021. The first day of the FDP started with lighting of lamps by Mr. Ratul Das, President, SSA, Guwahati, Prof. (Dr.) Gouranga Das, Principal, GIPS, Guwahati and Dr. Dipankar Saha, Associate Professor, GIPS, Guwahati. The first Technical session of the FDP started after Mr. Ratul Das and Prof. (Dr.) Gouranga Das welcomed the participants with a warm welcome speech.

## Industrial Visit

Industrial Training was conducted for the Laboratory Staff of GirijanandaChowdhury Institute of Pharmaceutical Science (GIPS), Guwahati by the two companies- Phoenix Laboratories, Mirza Assam and APY Pharma, Chaygaon, South Kamrup, Assam on 12th Nov, 2021.

## SPORTS ACTIVITIES

# Cultural Activities

## ALUMNI ACTIVITIES

### Donation to CM Relief Fund

Alumni association GIPS-Guwahati donated a sum of rupees 50,000/- to Chief Minister's relief fund to help the COVID-19 victims of Assam.

### Awareness Program

Alumni association GIPS-Guwahati organised an awareness program on 'Importance of Using Mask and Sanitizer in Preventing COVID-19' at Chakradeo Deshbhakta Tarunram Phukan M E School, Chakardeo Village, Binova Nagar, Guwahati-781018 on 23rd October 2021.

## WHAT ALUMNI SAY ABOUT GIPS

### Mr. Nabanit Borah (B. Pharm, 2007-2011)

Pharmacist, ONGC Hospital, Sivasagar, Assam

*"GIPS-Guwahati was a fantastic experience for me. I was the first batch of GIPS-Guwahati students. GIPS-Guwahati provided me with the ideal platform for academic and personal development. GIPS-Guwahati's infrastructure inspired me to give my best. My genuine gratitude goes to my professors for bringing out the best in me."*

### Mr. Ratul Deb (M. Pharm, 2011-2013)

Product Manager, Cardiology, Servier India Pvt. Ltd., Mumbai, Maharashtra

*"At GIPS-Guwahati, I got an opportunity to learn the subject from some of the best academic minds in East India, as well as from well-known Industry veterans with deep domain knowledge. In addition, the dynamic curriculum ensured we get to develop a lot of interpersonal and public speaking skills too. For me the best part of GIPS is a very supportive faculty that encouraged me and gave me the necessary exposure to take up hands-on industry projects, which shaped my career path going forward."*

### Mr. Tejendra Saikia (M. Pharm. 2016-2018)

Inspector of Drugs, Govt. of Assam.

*"During my M. Pharm days in GIPS, my exposure to the field of science general and pharmaceutical science increased many folds. I was overwhelmed by the support and guidance received by from the teachers. The institution offers a great platform to nurture the extra-curricular activities of the students. As an alumnus of GIPS-Guwahati, I can proudly say that the status of my alma mater can compete with the best brains of India."*

## ACHIEVEMENTS

### RESEARCH GRANTS RECEIVED (ONGOING)

Project Title	Principal Investigator	Funding Agency	Amount
Development of Nanoconjugates for site specific delivery of Curcumin and siRNA to lung cancer cells.	Dr. Bhanu P. Sahu	DST	21.57 lacs
Quantification of variation in the L-theanine content depends on seasonal, geographical and maturity onset factors in Assam tea leafs and evaluation of acute effect on associated hippocampal with hedonic performance using suitable animal model.	Dr. Dipankar Saha	AICTE	22.00 lacs
Phytochemical screening and anticancer activity of some novel medicinal plants available in North-East region of India.	Dr. Jun Moni Kalita	AICTE	23.00 lacs
Development of nano-carriers using isolated bio-material from 'Komal Saul' a soft variety of rice grown in Assam for drug delivery application.	Dr. Abdul Baquee Ahmed	AICTE	25.00 lacs
Evaluation of oral anti-cancer activity of the active constituent(s) from <i>Potentilla fulgens</i> root: A comprehensive in-vitro, in-vivo, in-silico and formulation development study.	Dr. Damiki Laloo	AICTE	20.98 lacs
Microwave assisted synthesis and evaluation of antimalarial and anticancer activity of some novel triazine derivative	Dr. Jun Moni Kalita	AICTE	21.05 lacs
Phytochemical, Pharmacological evaluation of poly-herbal formulation of some indigenous plants of Assam for CNS Activity	Dr. Trishna Das	AICTE	15.94 lacs
Development of Dry Powder Inhaler for site specific delivery of nanoconjugates for Lung Cancer	Dr. Bhanu P. Sahu	AICTE	23.00 lacs
Design, in silico screening and evaluation of anti-cancer and antimalarial activity of some substituted 1,3,5-triazine clubbed artemisinin derivatives.	Dr. Gouranga Das	AICTE	24.50 lacs
Department of Science and Technology-Fund for Improvement of Science & Technology Infrastructure (DST-FIST)	Dr. Bhanu P. Sahu Dr. Damiki Laloo Dr. Jun Moni Kalita Dr. Anupam Sarma Mr. Iswar Hazarika Mr. Bhrigu Kumar Das	DST	110 lacs
Modernization and development of pharmacognosy laboratory for the standardization of herbal drugs	Dr. Trishna Das	AICTE	19.95 lacs

## GIPS Secured Position in 76-100 rank band in NIRF- 2021

GIPS-Guwahati secured 76-100 rank among Pharmacy Institutes in India in **NATIONAL INSTITUTIONAL RANKING FRAMEWORK (NIRF-2021)**, MHRD Govt. of India. The National Institution Ranking Framework (NIRF) was approved by the MHRD (Ministry of Human Resource Development) and launched by honourable Minister of Human Resource Development in the year 2015. This framework outlines a methodology to rank institutions across the country. The methodology draws from the overall recommendations broad understanding arrived at by a Core Committee set up by MHRD, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover "Teaching, Learning and Resources", "Research and Professional Practices", "Graduation Outcomes", "Outreach and Inclusivity" and "Perception".

## Accredited by National Board of accreditation (NBA)

Girijananda Chowdhury Institute of Pharmaceutical Science, Guwahati established in 2007 and began its operations as the first non-government pharmacy institute in the state of Assam. The B.Pharmacy program offered by the institute is provisionally accredited by National board of Accreditation (NBA) for academic year 2016-17 to 2018-19 and **Reaccredited for the academic year 2019-20 to 2021-2022**. It becomes the first pharmacy institute in the Northeast region achieve this feat. The National board of Accreditation (NBA) was established by AICTE as an autonomous body under section 10(u) of AICTE act, 1994 for periodic evaluation of technical institutions and programs basis according to specified norms and standards as recommended by AICTE council.

## GIPS Achieved Gold Rating by AICTE-CII Survey of Industry-Linked Technical Institutes 2019

The **AICTE - CII** (Confederation of Indian Industry) Survey on industry linkages of technical institutes is a one-of-its-kind survey which is implemented by industry association CII in close coordination with AICTE. It is a unique model of a public-private partnership which has been working very well for the past few years. Girijananda Chowdhury Institute of Pharmaceutical Science, Guwahati is given a **Gold Rating** (score band between 11-29 among self-financing institutes) by **AICTE-CII 2019**.

## Memorandum of Understanding (MoU)

### MoU with National Academic Institutes

- SRES' Sanjivani College of Pharmaceutical Education and Research, Shinganapur, Kopergaon, Ahmednagar, Maharashtra.
- Indian Institute of Entrepreneurship (IIE), NH- 37 Bypass, Near Game Village, Lalmati, Guwahati.
- Raghavendra Institute of Pharmaceutical Education and Research (RIPER), KR Palli Cross, Near SK University, Anantapur Dt, Andhra Pradesh.
- Chalapathi Institute of Pharmaceutical Sciences (CLPT) (Autonomous), Chalapathi Nagar, Lam, Guntur, Andhra Pradesh.
- M/s ICT Academy, Perungudi, Chennai, Tamilnadu
- Dr. D. Y, Patil Institute of Pharmaceutical Sciences and Research, Pimri, Pune.
- Regional Institute of Paramedical and Nursing Sciences, Zemabawk, Aizawl, Mizoram.

### MoU with International Academic Institutes

- Northern University, Dhaka, Bangladesh.
- Southeast University, Dhaka, Bangladesh.

### MoU with Pharmaceutical Industries

- Eris Life Sciences Private Limited, Guwahati, Assam.
- IPCA Laboratories Limited, Sikkim.
- Ozone Pharmaceutical Ltd., EPIP Centre, Amingaon, Guwahati, Assam.
- Phoenix Laboratories, Mirza, Guwahati, Assam.
- Hetero Healthcare Ltd., AIIDC Industrial growth center, Changsari, Guwahati, Assam.
- Signova Healthcare Private Ltd., EPIP Centre, Amingaon, Guwahati, Assam.
- Hygienic Research Institute Pvt. Ltd., Brahmaputra Industrial Area, Guwahati, Assam.

## DST-FIST, Ministry of Science & Technology, Govt. of India

In a historic achievement Girijananda Chowdhury Institute of Pharmaceutical Science (GIPS), Guwahati has been recognized as DST FIST supported Institute in the entire eastern zone this year for the development of Science & Technology Infrastructure. A team of six members as Project Implementation Group led by Dr. Bhanu Pratap Sahu, along with Dr. Jun Moni Kalita, Dr. Damiki Laloo, Dr. Anupam Sarma, Mr. Bhrigu Kumar Das and Mr. Iswar Hazarika had compiled and submitted the proposal for FIST Support for upgradation of Laboratory Infrastructure for Research, in September. The proposal was subsequently shortlisted for final presentation and Prof. Gouranga Das, Principal of GIPS presented it online on 17/01/2022 to the board members. In consideration of the Institute's outstanding contribution towards the field of Research and Development and considering the Social Impact and Merit of the proposal the Department of Science and Technology (DST), the Government of India has granted the institute a fund of Rs. 1.1 Crore as support under FIST.

## STUDENTS' ACHIEVEMENTS

### University Rank Holders

Names of the students achieved first class first position under Assam Science and Technology University (ASTU), Guwahati, Assam..

				
<b>Alakesh Bharali</b>	<b>Priyanka Das</b>	<b>Subham Singh</b>	<b>Reshmi Chakraborty</b>	<b>Soki Daeme Malang</b>
Master of Pharmacy (Pharmaceutics)	Master of Pharmacy (Pharmaceutics)	Bachelor of Pharmacy	Master of Pharmacy (Pharmaceutics)	Bachelor of Pharmacy
2021	2020	2020	2019	2019

### GPAT Qualifiers

**Graduate Pharmacy Aptitude Test (GPAT)** is a national level entrance examination for admission in post-graduate pharmacy programme conducted by **National Testing Agency (NTA)**. GPAT qualified candidates receives scholarship and other forms of financial aids (in the field of pharmacy) from Government of India.

Graduate Pharmacy Aptitude Test (GPAT-2021) qualified candidates with Principal and Faculties, GIPS.

The **GPAT-2021** qualified candidates from GIPS and their All India Ranks (AIR):

Mr. Abhipshit Kalita (**AIR-30**)  
 Mr. Ajay Das (**AIR-269**)  
 Mr. Banjit Kalita (**AIR-1172**)  
 Md. Fazid Ali (**AIR-2625**)  
 Ms. Nayana Bhuyan (**AIR-4568**)  
 Mr. Somnath Mandal (**AIR-5299**)  
 Mr. Niloy Deori (**AIR-19944**)

## KBM Season-09

KBM season 9 was successfully organised by GirijanandaChowdhury Institute of Pharmaceutical Science from 30/03/2022 to 2/04/2022. A total of 18 teams participated in the event. Assam Down Town University, United team won the trophy and GIPS-Guwahati won the runner's up trophy

In the 21st Mr. Kamrup, 2021 organised by Ministry of Youth Affairs and Sports Govt. of India and IBBF, Mr. Ashish Ahmed, student of B. Pharm 6th Semester has won Mr. Physique title..

## GIPS Student's Achievement at National Seminar

Students of GIPS-Guwahati have participated in the National Seminar on "Emerging Priorities in Science and Technology with Special Focus on Rural and Green Technology" organised by B. Barooah College, Guwahati on the occasion of the 66th Annual Technical Session of Assam Science Society-2022 held on 24th March 2022. There were more than thirty reputed institutes across India such as Gauhati University, B. Barooah College, BN College, North Gauhati College, MC College, LCB College, Tangla College, SSA Kamrup (M), Dispur Law College, Royal Global University, Pragjyotish College, IASST, Cotton University, AEC, Assam Downtown University, University of Science and Technology, IIT Guwahati, Assam University, Dayananda Sagar University etc. have participated in the National Seminar. Students of GIPS Guwahati have presented their work through both poster and oral presentations at the event. There were four oral presentations and twelve poster presentations in the seminar from students of GIPS-Guwahati. The four best posters of the event were secured by the students of GIPS-Guwahati. The GIPS fraternity congratulates the winners with a Phulam Gamocha and encouraged the other participants in the event.

Students from GIPS-Guwahati has secured first three positions in the poster presentation DECIPHER conducted on the occasion of National Science Day-2022. Twenty teams from various Pharmacy institutes have participated in the state level poster competition where the young minds showed their innovative research ideas concerning to health care. The posters were evaluated by Dr. Pranjal Saikia, Associate Professor, Department of Applied Sciences, Gauhati University, Mr. Deepak Singh, General Manager, Ozone Pharmaceuticals Ltd. and Dr. Sandip Bordoloi, HOD i/c Department of Electrical Engineering, GIMT Guwahati.

## OUR RECRUITERS

The Institute has well established "Entrepreneurship Development Cell", "Career Development Cell" and "Industry Institute Partnership Cell". They are well connected to a good number of prime institution, research organizations, R&D departments and pharmaceutical industries spread all over the country. The activities of the placement committee include coordinating for the industrial training program, the lateral recruitment program and campus recruitment program. It corresponds with the prospective employers, arranges pre-placement talks and personal interviews on campus and provides all the facilities required by the visiting companies.

## PLACEMENT REPORT 2020-21

Name of the Student	Qualification	Name of the Recruiter	Job Type
Enamul Hussain Khadakar	B.Pharm	Mankind Pharma Ltd.	Marketing
Nurnoby Sheikh	B.Pharm	Indiabulls Pharmaceuticals	Marketing
Utpal Kalita	B.Pharm	Phoenix Laboratories	Production

## PROGRAMMES OFFERED BY THE INSTITUTE

Sl. No.	Programmes Offered	Duration	No. of Seats
1	Diploma in Pharmacy (D. Pharm)	2 years	60
2	Bachelor of Pharmacy (B. Pharm)	8 semesters/ 4 years	100
3	Bachelor of Pharmacy (B. Pharm) lateral entry (Direct admission in 3rd semester)	6 semesters/ 3 years	10% of the total intake
4	B.Pharm (Practice)	2 years	40
5	Master of Pharmacy (M. Pharm) in Pharmaceutics	4 semesters/ 2 years	15
	Master of Pharmacy (M. Pharm) in Pharmacology		15
	Master of Pharmacy (M. Pharm) in Pharmaceutical-Chemistry		15
	Master of Pharmacy (M. Pharm) in Pharmacognosy		06*
	Master of Pharmacy (M. Pharm) in Industrial Pharmacy		06*
6	Ph.D. (Doctor of Philosophy)		Subjected to the availability of Guides.

\* Subjected to PCI approval

## ADMISSION PROCEDURE

### Admission to D. Pharm/ B. Pharm

Candidates seeking admission to First year Diploma in Pharmacy (D. Pharm), First year Bachelor of Pharmacy (B. Pharm) have to collect admission form and prospectus from the institute or the office of the Secretary, Shrimanta Shankar Academy, Panbazar, Guwahati. Duly filled application form is to be submitted to the institution before the prescribed last date. The selection for admission is purely on merit basis depending upon 10+2 Science marks in PCM/PCB and performance in the written test or interview. The merit list of the selected candidates for admission will be displayed in the institute notice board as well as in the institute website.

### Admission to B. Pharm (Lateral Entry)

Candidates, who have passed D. Pharm programme with not less than 50% marks in aggregate from institute approved by Pharmacy Council of India, shall be eligible to this course. The candidates shall be admitted directly to 3rd semester (2nd year) B. Pharm course.

### Admission to M. Pharm (All Branches)

Candidates, who have passed B. Pharm programme from any PCI and AICTE recognized institute with not less than 50% marks in aggregate are eligible for admission. GPAT qualified candidates will be given preference in admission and are eligible to receive scholarship from the MHRD, Govt. of India.

## ELIGIBILITY CRITERIA

### D. Pharm/B. Pharm

Candidates who have passed two year 10+2 examination or an equivalent examination of any approved board or university with not less than 45% marks in any combination comprising of P.C.M./P.C.B.

Note: in respect of candidate who have taken P.C.M.B. combinations, the aggregate of P.C.M./P.C.B. whichever is higher shall be considered for the purpose of admission. In case of students belonging to SC/ST, the minimum percentage of marks for admission to B. Pharm course shall not be less than 40% in 10+2 or equivalent examination (P.C.M./P.C.B.)

Candidates must not be less than 17 years of age on first of August of the year in which the admission is sought. Candidates must be mentally and physically fit and must possess a good moral character.

### B. Pharm (Lateral entry)

Candidates who have passed D. Pharm from any institute approved by PCI with not less than 50% marks in aggregate shall be eligible for admission in this course.

### M. Pharm (Pharmaceutics, Pharmacology, Pharmaceutical Chemistry)

Candidates, who have passed B. Pharm programme from any PCI and AICTE recognized institute with not less than 50% marks in aggregate are eligible for admission. GPAT qualified Candidates will be given preference in admission and are eligible to receive scholarship from the Govt. of India.

### B. Pharm (Practice)

Candidate who passed D. Pharm from an institution approved by PCI under section 12 of Pharmacy Act 1948 and a registered Pharmacist with minimum four years of Pharmacy practice experience in a community or hospital pharmacy.

**Ph. D.**

Candidates who have passed M. Pharm course in any discipline from any PCI and AICTE recognized institute/University with not less than 60% mark in aggregate are eligible for enrollment. The admission in Ph.D. programme shall be made on the basis of advertisement made by Assam Science and Technology University (ASTU).

**Reservation of seat for SC/ST candidate:**

For SC, ST and physically challenged candidate, seats are reserved as per state government norms for D. Pharm, B. Pharm and M. Pharm programme.

**FEE STRUCTURES (GIPS, GUWAHATI)****B. Pharm**

Total		5,000	85,000	2,000	20,000	4,000	10,000	4,000	1,30,000

- University Registration, Examination, Hostel fees are not included.
- All fees will have to be paid in the form of a bank draft of any nationalized bank, drawn in the favour of **Shrimanta Shankar Academy A/C-GIPS**, payable at **Guwahati**.
- All fees may be paid at the Institute, Hathkhowapara, Azara, Guwahati-781017.
- No cash or part payment will be accepted. Fees once paid will not be refunded.
- Late fee shall be charged from the defaulters of semester fees as follows:
  - First 30 days- Rs. 50.00 per day
  - Subsequent days- Rs. 100.00 per day
- "I Collect"** and **"Powerjyoti accounts"** have been opened in State Bank of India for ease of paying semester fees by the students/parents of second semester and above from their home/home station. First semester fees will continue to be paid in bank draft. GIPS will continue to accept payment of other semester fee through bank draft also.

## ABOUT THE INSTITUTE, GIPS-TEZPUR

GIRIJANANDA CHOWDHURY INSTITUTE OF PHARMACEUTICAL SCIENCE-TEZPUR is established by Shrimanta Shankar Academy Society in 2020. This is the first pharmacy institute in the state of Assam established under Public Private Partnership (PPP) model by Shrimanta Shankar Academy Society and Director of Technical Education, Government of Assam. The Shrimanta Shankar Academy Society is a registered service organization set up in the year 1992 to make significant contribution for social upliftment through education and also to inculcate among the youth a sense of discipline.

The motto of the Society is "Truth, Discipline & Excellence" and ever since its inception its aim has been to establish a morally sound educational system which not only produces competent professionals but also excellent human beings contributing towards the welfare of the Society. Towards this, the institute has introduced a broad based mentoring system to guide / counsel the students to improve their performance in all spheres of activities in the institute.

GIRIJANANDA CHOWDHURY INSTITUTE OF PHARMACEUTICAL SCIENCE-TEZPUR is affiliated to Assam Science and Technology University, Government of Assam and Approved by Pharmacy Council of India (PCI), New Delhi, Government of India and All India Council for Technical Education (AICTE), MHRD, New Delhi. The institute is offering two years diploma programme, Diploma in Pharmacy (D. Pharm) and four years undergraduate programme, Bachelor of Pharmacy (B. Pharm) every year.

The prime objective of GIRIJANANDA CHOWDHURY INSTITUTE OF PHARMACEUTICAL SCIENCE-TEZPUR is to provide the best Pharmaceutical Education in Assam and the North-Eastern region of India. In keeping with its objective of providing the best possible pharmaceutical education, the college has built up a strong infrastructure in terms of building, classrooms, laboratories, library, gymnasium Seminar hall, playground and hostels for boys. All the laboratories are equipped with modern instruments for education and research in the field of Pharmacy.

# INFRASTRUCTURE FACILITIES

## CLASSROOM

The Institute consists of organized spacious audio-visual classrooms in peaceful environment with comfortable seating and well equipped with LCD projectors, blackboards and Wi-Fi system. This makes the classroom learning & engaging a unique experience for all.

## LABORATORY

Laboratories are the most important facilities for every technical institution where students receive knowledge and develop their practical skills. GIPS-Tezpur is having excellent laboratories with latest equipments to cater the needs of the students and all the laboratories are designed and equipped as per guidelines of Pharmacy Council of India (PCI) and All India Council for Technical Education (AICTE) New Delhi, Govt. of India. GIPS-Tezpur is equipped with sophisticated central instrumentation facilities to carry out Pharmaceutical and Biomedical research.

## LIBRARY

The institute has an excellent library and information centre-one of the central support system of the institution, which acts as a primary source for information seekers, be it students, faculties or researchers. The library has been carefully designed to maximize natural lighting to the users and provide a comfortable seating and reading environment. The library is well equipped with modern facilities and resources in the form of CD, DVD, online data base, books, journals, e-journals. The college subscribes to all important newspapers, magazines, national and international books and journals. GIPS-Tezpur has institutional membership with National Digital Library India (NDLI Club).

## HOSTEL FACILITY

In campus hostel for boys is available and the hostel is well furnished and comfortable with adequate facilities and is indeed an ideal place to stay and study. The hostels has been designed to recreate a home like atmosphere for the students. A resident warden is available to ensure the students requirements and to maintain the decorum. Nutritious and hygienic vegetarian and non-vegetarian food is served. The girls' hostel is presently under construction and will be completed by the next year.

## CANTEEN

The college has a well furnished and hygienic canteen which provides healthy and nutritious food to the students. It contains hygienic and well-maintained areas, including kitchen and the food is cooked hygienically by our trained personnel.

## GUEST HOUSE

The guest house of GIPS-Tezpur is situated inside our green campus, which has air conditioned rooms, 12-seater dining hall and with well equipped furnitures. The Guest House is within the reach of ATM, Post office, Banks, local market etc.

## COMPUTER LAB AND INTERNET CENTRE

A vital component of present era of pharmaceutical education is integrated with computer and software knowledge along with pharmaceutical subjects. The computer laboratory of the institute is equipped with 35 computers with Wi-Fi, LAN and internet connection. All Computers are installed with required hardware and software like Microsoft office 2003/2007; Visual studio, Turbo C, FORTRAN and other licensed software.

## CENTRAL INSTRUMENT ROOM

The Central Instrumentation Facility has been created with an objective of providing a central facility of the latest and advanced analytical techniques for subjective practical experiments and research. It houses several highly sophisticated and modern analytical methods techniques for analysis, testing and characterization. The main objective of the central facility is to provide modern analytical instruments to students and train them for maintenance and handling of sophisticated instruments. The central room will be equipped with instruments like UV visible spectrophotometer (single and double beam), Brookfield Viscometer, Infrared Spectroscopy (IR), Flame photometry, Fluorimeter, Dissolution Apparatus, Disintegration Apparatus, Colorimeter, Fluorometer, Research Centrifuge, FTIR (Fourier transform infrared spectroscopy), Potentiometer, Conductivity meter, pH meter etc.

## MACHINE ROOM

The machine room has been designed with most advanced instruments and machinery used in manufacturing of tablets, capsules, injectables, liquid orals and ointment sections, which includes Capsule filling machine and is equipped with Bottle filling machine, Double Cone Blender, Humidity chamber, Ball mill, Cutter mill, Roche fibrillator, Rotary sieve shaker, Vacuum oven, Tray Dryer, and Tablet punching machine. All the highly equipped machines that are required for smooth running of Bachelor of Pharmacy & Diploma in Pharmacy courses as per PCI and AICTE rules and regulations are available in our institution.

## GYMNASIUM

With a firm belief that physical fitness leads to mental fitness, the College provide first rate facility "Gymnasium", also known as Fitness centre with advanced equipment and machines used for physical development training, or to do exercises. Being Physically active and fit holds utmost importance especially among today's younger generation who is busy enjoying the luxuries of mobile, laptop and TV at an alarming rate and aren't active and spirited on a daily basis. In order to enjoy the beauty of life and to experience it to the fullest you must start getting involved in physical activities or sports. Being young, students have a lot of potential to develop a hobby that keeps their fitness regulated for the lifetime.

## PLAYGROUND

A tennis court and volley ball courts exist in the campus, apart from a host of other facilities for indoor and outdoor games. Physical trainer execute selection and training of the right teams, demonstrate and share the intricacies to ensure that they learn and achieve success in every field through skills and hardwork.

## RESEARCH FACILITY

The institute, as a matter of policy will encourage for research activities by the faculty members and students for research output in the form of publications and patents. The institute will be encourages teaching faculty to compete for research funding and will be rewarded with academic allowances and incentives for successful achievements.

## TRAINING AND PLACEMENT

GIPS-Tezpur will work together with GIPS-Guwahati for training and placement of its students. GIPS-Guwahati has well established "Entrepreneurship Development Cell", "Career Development Cell" and "Industry Institute Partnership Cell". They are well connected to a good number of prime institution, research organizations, R&D departments and pharmaceutical industries spread all over the country. The activities of the placement committee include coordinating for the industrial training program, the lateral recruitment program and campus recruitment program. It corresponds with the prospective employers, arranges pre-placement talks and personal interviews on campus and provides all the facilities required by the visiting companies.

## MEDICINAL PLANT GARDEN

. Medicinal garden worldwide play a crucial role in the conservation., cultivation, and utilization of plant species, and research activities related to ecology, taxonomy, systematics, biotechnology etc. GIPS-Tezpur has a well-maintained medicinal garden covering a total area of 300 square metres has been developed at the institute campus. The gardens maintained a live collection of numbers of species of different medicinal, seasonal flowering, and aromatic plants inside the green house of 24 numbers of plant beds having well drained loam soil with the addition of organic manure.

## SOME GLIMPSES OF THE CAMPUS

## GIPS-TEZPUR

## SPORTS ACTIVITIES

## ACTIVITIES AT GIPS-TEZPUR

### World Environment Day, 2021

A "Tree plantation drive" was organized by GIPS-Tezpur, which was inaugurated by Chief guest Mr. Subhash Chandra Saha, Retd. Nehru Yuva Kendra Sangathan, Govt. of India and Principal GIPS-Tezpur, Dr. Abdul Baquee Ahmed on the account of World Environment Day on 5th June, 2021

### Death anniversary of Param Guru Shree Shree Sankar Dev, 2021

GIPS-Tezpur has celebrated death anniversary of Param Guru Shree Shree Srimanta Sankardev for the first time on 8th September 2021 by performing "Naam Kirtan" for all the members of GIPS-Tezpur family.

### World Pharmacists' Day 2021

GIPS-Tezpur has celebrated World Pharmacists' Day on 25th September 2021 in the college premises. Dr. Abdul Baquee Ahmed Principal GIPS-Tezpur marked the initiation of this event by hoisting of flag along with Principal GIMT-Tezpur Dr. Dipal Baruah, all the faculty members, Students and other supporting staffs.

### Freshmen Social 2021

GIPS-Tezpur organized Freshmen social for the batch of 2021-22 on 1st November, 2021. The programme was initiated by Principal GIPS-Tezpur Dr. Abdul Baquee Ahmed by lighting of lamp in presence of all the invited dignitaries, Mr. Alok Gupta, Plant Head (Dabur India Ltd., Tezpur), Mr. Ratul Das, President SSA, Dr. Gouranga Das, Principal GIPS Guwahati, Dr. Dipal Baruah, Principal GIMT-Tezpur and other faculty members from GIPS Guwahati and GIPS-Tezpur.

### 60th National Pharmacy Week, 2021

Celebration of 60th National Pharmacy Week on 24th November 2021 in GIPS- Tezpur by conduction of Quiz Competition and Online Photography Contest as well as Training Cum Workshop in EMERGENCY RESPONSE AND FIRST AID. The event was graced by presence of Chief Guest, Dr. Sunita Gogoi, Founder and Chairman of Gogoi Nursing Home, Tezpur and Resource Person Respected Dr. Mintumoni Sarma, Consultant lead, Health team, the ant, Program in charge, Mental Illness Treatment Alliance, IDea Fellow -India HPSR (Health Policy and Systems Research) Fellowship, 2021 cohort Consultant to the Parivartan De-addiction Centre, Tezpur.

## Seminar on Women sensitization and empowerment

GIPS-Tezpur has organized a seminar on 13th Nov, 2021 on the topic "Women sensitization and empowerment" in our college campus and Mrs. Sangeeta Bora was the invited speaker of the event.

## National Science Day 2022

On the occasion of National Science Day 2022, GIPS-Tezpur organized an intercollege quiz competition. Principal of Darrang college, Dr. Palashmoni Saikia and Deputy Director of Defence Research Lab (DRDO), Tezpur Dr. Pronobesh Chattopadhyay graced the event as Chief Guest and Guest of Honor respectively. Mr. Sasanka Sarma was the quiz master of the competition, where Mr. Sayan Mazumdar and Bishwayan Bhattacharjee from GMCH, Guwahati won the 1st prize and Pragyan Pratim Sharma of Tezpur Science Academy lifted the second prize. As a part of the celebration the 1st edition of Institutional Annual Magazine- "PharmaQuest", 1st issue of GIPS Newsletter and 2nd edition of Institute Wall Magazine "Pharmaxetra" were inaugurated. Plantation Drive was also organized as a part of the programme.

## Annual Sports Week 2022

Celebration of Annual Sports Week by GIPS-Tezpur from 15th to 18th December 2021. Dr. Abdul Baquee Ahmed, Principal, GIPS-Tezpur marked the occasion by hoisting the flag along with Principal GIMT-Tezpur Dr. Dipal Baruah, all the dignitaries, faculty members & other supporting staffs and Students. The event was graced by the presence of Chief Guest Respected Dr. Biswaranjan Kalita, Ex Joint Director of Health Service cum Athlete and Dr. Pavan Kumar.

## PROGRAMMES OFFERED BY THE INSTITUTE

Sl. No.	Programmes Offered	Duration	No. of seats
1	Diploma in Pharmacy (D. Pharm)	2 years	60
2	Bachelor of Pharmacy (B. Pharm)	8 semesters/4 years	60
3	Bachelor of Pharmacy (B. Pharm) Lateral Entry	6 semesters/3 years	06

## TEACHING FACULTY

Sl. No.	Name	Designation	Qualification
1	Dr. Abdul Baquee Ahmed	Principal	M. Pharm, Ph. D.
2	Ms. Taslima Jahan	Assistant Professor	M. Pharm.
3	Mr. Shekhar Chandra Bora	Assistant Professor	M. Pharm.
4	Ms. Sanheeta Chakrabarty	Assistant Professor	M. Pharm.
5	Mr. Uddhav Patangia	Assistant Professor	M. Pharm, DPPM, DPMM (IPER)
6	Mr. Sandipan Choudhury	Assistant Professor	M. Pharm.
7	Ms. Rupshikha Malakar	Assistant Professor	M. Pharm.
8	Dr. Hemanga Hazarika	Assistant Professor	M. Pharm, Ph. D, MBA
9	Mr. Farak Ali	Assistant Professor	M. Pharm, Ph. D.(Pursuing)
10	Ms. Sehnaz Alom	Assistant Professor	M. Pharm, Ph. D.(Pursuing)
11	Mr. Bedanta Bhattacharjee	Assistant Professor	M. Pharm
12	Mr. Damanbhalang Rynjah	Assistant Professor	M. Pharm
13	Mrs. Neha Agarwal	Assistant Professor	M. Pharm, Ph. D.(Pursuing)
14	Ms. Arzoo Newar	Assistant Professor	M. Pharm
15	Mr. Ravi Kumar Rajan	Assistant Professor	M. Pharm, Ph. D.(Pursuing)
16	Mr. Dipankar Saikia	Guest Faculty	M.A., M. Ed.(Pursuing)
17	Mr. Amit Dutta	Guest Faculty	M. Tech (IT)
18	Mr. Dipankar Baishya	Guest Faculty	M. Sc.

## ELIGIBILITY AND ADMISSION PROCEDURE

### RESERVATION OF SEATS

#### Govt. quota under the PPP scheme:

20 % of the seats are reserved for Govt. quota under the PPP scheme for both D. Pharm and B. Pharm programme.

#### SC/ST candidate:

For SC/ST candidate seat is reserve as per state government norms for D. Pharm and B. Pharm programme.

### ELIGIBILITY (D.PHARM/B.PHARM)

Candidates who has passed two year 10+2 examination or an equivalent examination of any approved board or university with not less than 45% marks in any combination comprising P.C.M./P.C.B./P.C.M.B. Note: in respect of candidate who have taken P.C.M.B. combination the aggregate of P.C.M./P.C.B. whichever is higher shall be considered for the purpose of admission. In case of students belonging to SC/ST/or Category, the minimum percentage of marks for admission to B. Pharm course shall not be less than 40% in 10+2 or equivalent examination (P.C.M./P.C.B./P.C.M.B.).

### ADMISSION PROCEDURE

Candidates seeking admission to B.Pharm/D.Pharm have to collect prospectus and admission form from GIPS-Tezpur or GIPS-Guwahati or office of the Shrimanta Shankar Academy Society, Panbazar, Guwahati. Duly filled application form is to be submitted to either GIPS-Tezpur or GIPS-Guwahati before the prescribed last date. The selection for admission will be purely on merit basis depending upon 10+2 Science marks in PCM/PCB and performance in the personal interview. The merit list of the selected candidates for admission will be displayed in the institute notice board as well as in the institute website.

## FEE STRUCTURES (GIPS-TEZPUR)

### D. Pharm (Self sponsored)

Year	Date of Payment	Admission fees (Rs.)	Tuition fees (half yearly) (Rs.)	Library and IT service fees(Rs)	Development fees (Annual) (Rs.)	Student activity & welfare fund (Annual)	Caution money (Refundable)	Elec. charge	Total (Rs.)

Total		18,000	3,00,000	12,000	15,000	15,000	10,000	15,000	3,85,000

- University Registration and examination fees are not included.
- All fees will have to be paid in the form of a bank draft of any nationalized bank, drawn in the favour of **Shrimanta Shankar Academy AC GIPS** payable at **Tezpur**.
- All fees (in the form of Demand Draft) may be paid at the Institute, Dekargaon, Tezpur, Sonitpur-784501 or at GIPS-Guwahati, Hatkhowapara, Azara, Guwahati-781017.
- Fees can also be paid online as per the following details

Name of the account holder: **Shrimanta Shankar Academy AC GIPS**

Name of Bank: **State Bank of India**

Branch: **Mission Chariali**

Account No: **40020933047**

IFSC: **SBIN0005783**

- No cash or partial payment will be accepted. Fees once paid will not be refunded.
- Late fee shall be charged from the defaulters of semester fees (those paying fees after 30th Jan/30th August) as follows:
  - First 30 days- Rs. 50.00 per day
  - Subsequent days- Rs. 100.00 per day

**Note:** Admission fee for Govt. quota seats may vary at the time of admission.

## Rules & Regulations

1. Students admitted to the college must abide by the rules and regulations as prescribed by the college authority. Violation of this may make students liable to disciplinary action.
2. Conduct which might attract disciplinary action include irregular clearance of college and hostel dues, discourtesy to the teachers and the staff members in any form, resorting to strikes, practising ragging, causing damage to college properties, consumption of alcoholic beverages in public places, smoking in the college premises, unsatisfactory progress in studies, rowdy behaviour inside and outside the college etc.
3. In the case of damages or loss of college property, the college authority reserves the right to impose fine either individually or on per capita basis.
4. As regards attendance in class, a student shall be eligible to appear in the university semester examinations as a regular candidate provided he/she has at least 80% attendance in the individual subjects. For irregular students, specific university regulations will be applied.
5. Ragging is strictly prohibited by law. Any student found guilty of practising ragging will be liable to severe disciplinary action in the form of suspension or even expulsion from the college.
6. Students will be required to wear proper uniform/dress code. In summer, For Boys: Dark grey formal trousers with off white striped shirt and black formal shoes. For Girls: Dark grey salwar with off white striped kameez and black shoes. In winter same as above with dark grey blazer or sweater and tie.
7. To maintain uniformity and quality of uniform, cloth will have to be purchased from the listed tailoring shops of the institution.
8. Students are required to carry the identity cards at all times. In case of loss of identity card, a duplicate card will be issued to the students when he/she apply and on payment of a fine.
9. Student's activities like cultural function, picnics and excursions will be organized only with prior permission of the college authorities.
10. Smoking within the institute premises is strictly prohibited.
11. Use of mobile phones by the students within the college buildings shall not be permitted

NOTE: A separate rules and regulations booklet will be provided to the students after final admission.

## Anti-Ragging

GIPS have adopted a policy of zero tolerance towards ragging and strive to achieve completely ragging free campus. We are happy to announce that not a single case of ragging, even a very minor one occurred in GIPS in the last four years. We have built up a healthy tradition in this regard and intend to keep it that way. GIPS also adopted a multi-pronged strategy to tackle the menace of ragging. It launches awareness drives among the students about the seriousness and consequences of indulging in the act of ragging. To achieve this, the following measures are taken.

- The college authority regularly address the students on this aspect to create awareness.
- Large displays (like banners etc.) are erected at important places around the campus at the starting of new academic sessions.
- An anti ragging squad (ARS) was formed and the names and contact numbers of the members of ARS made available to the students, for any fresher to lodge a complaint if subjected to any form of ragging by his/her seniors. The ARS is instructed to keep strict vigilance all around the campus. The members of the ARS are to challenge any group/individual suspected of indulging in any form of ragging.
- An Anti Ragging Committee (ARC) has also been set up. The names of the ARC members with their contact details are also published for the victim or his/her parents/guardians to lodge a complaint to the chairman of ARC. The committee will investigate and suggest the mode of punishment for the guilty person. If a student found guilty of ragging is punishable by suspension/rustication from the institute.
- Students of GIPS are asked to sign an undertaking that will fight for ragging free GIPS and will not indulge in any form of ragging.

## WHAT PEOPLE SAY ABOUT GIPS-GUWAHATI

**Dr. Anil Sahasrabudhe, AICTE, New Delhi**

DATE: 03-05-2017

*"Girijananda Chowdhury Institute of Pharmaceutical Sciences is a state of art institute with all relevant labs giving quality education to all its students. The faculty is also active in research wishing this innovative institute all the very best."*

**Dr. T. Madan Mohan**

**Adviser, Dept. of Biotechnology, New Delhi**

DATE: 07-05-2017

*"Very nice to note that GIPS is putting its effort to organize NEPC by initiating NEPC. It has great value to promote the pharma research and manufacturing activities in the northeast region. I wish all the very best to GIPS alumni and administration."*

**Dr. T. V. Narayana**

**Inspector IPA-Edu. Div, Gen Secretary, IPCA, Vice President IPA, Director, Vikash Institute of Pharmaceutical Science.**

DATE: 07-5-2017

*"It gives immense pleasure to visit GIPS in guwahati. I feel it is one of the BEST Colleges visited with NBA accreditation (First of its kind in NE). I am happy to announce IPA student's forum chapter to this institute from 2017 and it is the 1st college in the area to start IPA –SF chapter I wish this college will attain many more laurel in future."*

**Prof. Dr. Amalesh Samanta**

**Dept of Pharmaceutical Technology, Jadavpur University**

DATE: 19-12-2018

*"It is a great pleasure to me to visit first time as an external examiner of ensuing practical examination December 2018 and I am very happy to interrogate the students they are very diligent, sincere, curious to know the profession and future scope. Faculties are very sincere and innovative to flourish their knowledge of their beloved students. I wish to visit again. As a whole, GIPS is a unique unit."*

**Prof. Dr. S. K. Ghosh**

**Department of Pharmaceutical Sciences, Dibrugarh University**

DATE: 03-02-2021

*"My pleasure talking and interacting the young UG and PG students, some enthusiastic views attracted me a lot. Would love to talk to them again."*

**Dr. Utpal Bora, IIT Guwahati**

DATE: 25-11-2021

*"I have been visiting GIPS since its initial years and it gives me immense pleasure in seeing the progress in every subsequent visit. I am extremely glad by the development in terms of academic, research and infrastructure GIPS has made in the last half decade."*

### **LOCATION GIPS-GUWAHATI**

GIPS-Guwahti is conveniently located at Azara, Guwahati on the national highway no. 37, away the hustle of Guwahati city, providing a congenial atmosphere for diligent academic pursuit. It is an idyllic spot located 5 km to the east of L.G.B. International airport and 16 km to the west of Guwahati Railway Station. Sprawled over more than 5 acres of land it is on the brink of the famous Deep-or Beel, a natural water body which is a heaven for birdwatchers and lovers of aquatic life. The majestic khasi & Jaintia hills stand on the southern side of the "Beel" providing a green picturesque view that is soothing to the eye. The college is well connected to the city and to all other places of the country through various modes of public and private transport.

### **LOCATION GIPS-TEZPUR**

GIPS-Tezpur is located at Dekargaon, Tezpur on the National Highway No. 52, away from the hustle of Tezpur city and provides a congenial atmosphere for diligent academic pursuit. It is an idyllic spot located 4 km to the west of Tezpur Military Airport and 2 km from Dekargaon Railway Station sprawled over more than 3 acres of land. The institute is well connected to the city and to all other places of the country through various modes of public and private transport.
